This is a change to the normal venue in the Franklin Wilkins Building

Registration, tea and lunch will be in the Terrazza cafe in the ground floor of the MacAdam Building (L on the map below). The best way to find this is enter the campus through the strand building (B) and walk the length of the King's Building (A).

The seminar will take place in K2.31 in the King's Building. From reception (B), go straight ahead down the corridor, then take the staircase on the left just after the vending machine. Go up two flights of stairs. Go through the fire doors in front of you and K2.31 is immediately on your right.
